# Premier League service

We believe we create premier experiences, but don't just take our word for it listen to what our clients have to say...

**“Glenrothes High School would like to thank AM Sports Tours for providing an excellent trip to watch Manchester City vs. Arsenal live in the Premier League. The trip ran very smoothly, which was a credit to AM Sports Tours. The AM Sports Tours member of staff developed a great rapport with the group which was evident from start to finish and he vastly enhanced the pupils enjoyment of the trip. We experienced playing in a competitive match against a well run boys club, who had great facilities and a fantastic pitch for staging the match. Many pupils and parents have since told me how much the trip was enjoyed and how keen they are to attend a similar trip next year. I would not hesitate to recommend AM Sports Tours to anyone and would definitely use them again for sports travel”**
